Welcome to Melbourne and welcome to

Aussie Rules ALL STARS

Melbourne is the birthplace of Australian Rules Football, or "Aussie Rules" as it is affectionately known by generations of Australians. Nowhere in the world will you find a sport that evokes such passion and excitement. It is the people's game!

Melbourne is home to ten of the 18 teams competing in the Australian Football League (AFL) - the elite Australian Rules Football competition and the most popular sporting competition in Australia. With weekly crowds in excess of 400,000 across 9 games on a regular basis no other sport comes close to capturing the hearts and minds of the Australian sporting public.

No visit to Melbourne is complete without a taste of Aussie Rules and appreciating the important role it plays in the lives of generations of Melburnians and how inextricably linked Aussie Rules is to Melbourne lifestyle and community.

"Aussie Rules All Stars" coaches are handpicked on the basis of their impeccable knowledge of Australian Rules football and a passion for the game that few could match.

The footballs used for all activities and challenges are soft touch indoor footballs. Slightly smaller than AFL match footy's, they are lighter and softer making it easier to learn the skills of the game.
