

Billy Tea Safaris is a family owned company established in 1981. We are an Advanced Eco Accredited Tour Operator and conduct 4WD, personalised tours to Daintree, Cape Tribulation and the outback region of Chillagoe.

Our vehicles are custom built, primarily for passenger comfort, but also to withstand the rough terrain of the Bloomfield Track beyond Cape Tribulation and for our Outback Chillagoe Tour. The vehicles are fitted with air-conditioning, first aid kits, UHF two way radios, mobile telephones and all vehicle seats are forward facing with seat belts.

Our company prides itself on its informative tours and we encourage questions. Our highly experienced and knowledgeable guides constantly undergo in-house training to provide accurate, informative, relevant and current information for our guests. We have ample time for photographs and to explain any queries you may have.

WHEN YOU BOOK THIS TOUR IN CONJUNCTION WITH OUR CHILLAGOE DAY TOUR

DAINTREE, CAPE TRIBULATION & 4WD BLOOMFIELD TRACK

Your environmentalist guide will meet you at your accommodation and after introductions all around we drive north along the scenic route to **Mossman**. Lush farmland contrasts with seascape as we approach the majestic **Daintree River**.

Time for a short morning tea break then its all aboard for an informative **River Cruise** at the Daintree River Cruise Centre who are also Advanced Eco Tourism Accredited. Relax and enjoy the splendour only the Daintree can offer as you learn of estuarine **crocodiles**, mangrove forests and wildlife - this is nature at its best.

We then ascend the **Alexandra Range** - pause for a panoramic view of the World Heritage Tropical Rainforest merging with the azure colours of the Coral Sea. Experience the rainforest first hand on our **elevated National Park Boardwalk**. Your guide will offer an interesting flora and fauna interpretation and explain about Aboriginal Culture, and Bush Tucker relevant to the area. There is ample time for photographs and questions as we search for the elusive, rare and totally unique Southern Cassowary and other wildlife species within this particular habitat. A **delicious barbecue lunch** with freshly made salads is prepared while you have the chance to hand feed a kangaroo and enjoy a cold drink from the bar.

Our tour does a little more. It takes you beyond Cape Tribulation. We travel the first 7kms along the **4WD Bloomfield Track** arriving at pristine **Emmagen Creek**.

You have the opportunity to take a refreshing swim. Look for fish and turtles in the creek, butterflies and exotic birds in the trees, indulge in a feast of tropical fruit and savour a cup of Traditional Billy Tea, all of which enhance the tranquil surrounds.

At **Cape Tribulation Beach** you can enjoy the beach or take a walk to the lookout to view where the **rainforest meets the reef**. After a short stop we travel via the **cable ferry** crossing over the Daintree River, and then begin our homeward journey somewhat wiser from our **Billy Tea Safaris Rainforest Experience**.
