KANGAROO ISLAND  
155km long x 55km wide

*"The wildlife we saw on our trip to Kangaroo Island was very special. We were able to get up really close to the kangaroos and touch them. I've got some amazing photos!"*

Andreas, Hamburg Germany

*"Being the active type, this tour was just right for me. Kayaking down the river to the beach was incredible and the bike riding was pretty good too!"*

Mike, North Queensland, Australia

*"This was the best time I have had in Australia so far. I just love the beaches here and Vivonne Bay Lodge was a brilliant place to stay. We had lots of laughs, I met some great people and made lots of new friends. Thankyou!"*

Manon, Geneva Switzerland

*"Our Guide knew so much about Kangaroo Island - I learnt so much. There is no doubt that this is a really special place!"*

Jess, London UK

Come on a journey with us to one of the world's last unspoilt refuges - Kangaroo Island. It's just a 45 minute ferry ride from mainland South Australia and is internationally famous for its pristine wilderness, spectacular coastlines, amazingly beautiful beaches and its wildlife encounters.

We'll take you across the water to an island where kangaroos and Tammar Wallabies abound. Listen carefully and you will hear echidnas and goannas scuttling in the undergrowth and look up in the branches of the eucalyptus trees where cute koalas will eye you with mild amusement.

Join us on a guided beach walk and spend time with a colony of wild Australian Sea-lions. Watch them play in the shallows, surf the waves, relax and bask on the sand. View the Little Penguins parading at night and marvel at the New Zealand Fur Seals as they come out from the crashing surf to sunbathe on the rocks at Admirals Arch.

Stay at Vivonne Bay Lodge set on 206 hectares of natural Australian bushland with 1km of beach frontage. There's a range of indoor and outdoor activities including table tennis, 8 ball, cycling, kayaking, bush walking and swimming at nearby Vivonne Bay beach. Enjoy a delicious Aussie BBQ on the large outdoor deck area, and say hello to the resident kangaroos that frequently hop in to visit the guests!
